Dear Residents,

The Brookville Police Department and surrounding jurisdictions have had a rash of stolen cars and larcenies from autos. Yesterday Mill Neck Estates had a car stolen and a number of others rifled through. The vehicle stolen was unlocked and had its key fob inside.

The following are police recommendations to help safe guard your vehicle and property:

- Always lock your vehicle, even if parked in your garage.
- Always remove your keys.
- Never leave or hide a smart key or valet key inside your vehicle.
- If possible, park your vehicle in a locked garage.
- If the car is parked in a driveway try to park in a well-lit location in view of your camera system.

Most important when leaving and returning to your home, be observant of vehicles and people who are suspicious. Dial 911 and be ready to provide the police with as much information as possible, descriptions of people or vehicles, and any plate numbers.

Very truly yours,

Peter Quick

Mayor

Village of Mill Neck
